Nat Measley, MPA is a proven and successful entrepreneur with a history of designing, building and implementing organizational process. He is an experienced and exceptional public speaker, facilitator, and teacher with a strong background in leadership in higher education, business and entertainment. As the Global Director of Training and Development for The Fun Dept., Nat works directly with executives, decision-makers and HR professionals to develop plans and paths focused on employee engagement and education, tied directly to specific business-outcomes and goals.

Nat is the author of **Playing it Forward: The Definitive “How To” Model for Creating a Winning Workplace Culture.**

Available on Amazon

## SPEAKING TOPICS

“The Science of Fun”: an exploration of the fundamentals of fun at work

“Business in Front, Party in Back”: leadership’s “how to” guide for endorsing and engaging in fun at work without sacrificing their business
